

**Com Abhimanyu-‘Please see your face in the mirror’:**

Upset with our expose of dissidence in BSNLEU all over the country its General Secretary has written a false news item on proposed formation of R.K.Kohli union in Chennai telephones.

BSNLEU is actually the producer of the new union led by R.K.Kohli. Recently two close supporters of Com.Abhimanyu met R.K.Kohli at Ambala (Haryana) and offered him to help both financially and organizationally. These two persons were deputed by none other than Com. Abhimanhu to strengthen the union led by Kohli. They are the most corrupt persons looting the 'Telecom co-operative society' in Chennai. These two were nominated to the Telecom society posts by BSNLEU with specific instructions from its General Secretary. Only these type of corrupt persons who are supporters of BSNLEU will join R.K.Kohli union and not a single NFTE-BSNL member will ever join the betrayer/ disrupter.

The whole country knows how senior leaders of BSNLEU Comrades Raman kutty, D.Gopalakrishnan, R.Gunasekaran and G.Anandan who had built that organization were side lined and isolated systematically by Com.Abhimanyu. With much suffocation and broken heart only Com.Raman kutty left New Delhi. Even a pensioner united association which was formed by Com. Raman kutty, K. Muthiyalu and D. Gopalakrishnan was disrupted by the present leadership of BSNLEU. The same leaders are shedding crocodile tears shamelessly now in support of Com. O.P.Gupta only with an aim to confuse the members of NFTE-BSNL. Everybody knows how comrade Namboodri and Abhimanhu abused Com O.P.Gupta and used derogatory language against him . Hence their ew found love and affection for Com.O.P. Gupta will not cut much ice.
