

Gimmicks by BSNLEU:

The GS of BSNLEU expressed his anguish while speaking at the CEC meeting of Tamil Nadu at Cuddalore in the first week of March-2011 over the criticism of Com C.K. Mathivanan regarding certain corrupt practices indulged by BSNLEU during the 5th Membership verification. In the presence of Com. Abhimanyu the CEC of BSNLEU(Tamil Nadu) passed a resolution to exhibit banners/Bill boards condemning Com. C.K.Mathivanan throughout the circle. Accordingly, In some places the BSNLEU comrades had put up banners criticizing Com. C.K.Mathivanan in the most abusive language. This has naturally created a back lash amongst the members of NFTE- BSNL in Tamil Nadu circle. However, I appeal to all comrades to just ignore this abusive campaign against me and concentrate in constructive and useful activities to strengthen NFTE-BSNL.

During and on the eve of the 5th Membership verification the BSNLEU indulged in many corrupt practices with the sole aim to snatch the victory in the verification and retain the recognized status for itself. It purchased few “ Weak” leaders both from NFTE-BSNL and FNTO and with their help floated benami unions like NFTEBE and FNTOEA. Further the leaders of BSNLEU have distributed Rice bags, Pant & Shirt bits, Sarees in some places to bribe the voters. In many places they distributed money for getting votes. In a most unbecoming of a trade union they distributed liquor bottles to our employees at many places on the election day. BSNLEU and its supporters spent nearly Rs one crore to win atleast this time in both Chennai telephones & Tamil Nadu circle. However they have failed to win once again.

In puduchery SSA, which is the home district of Com. Abhimanhu, they have spent more than Rs five lakh. They freely utilized the ill gotten money from the Telecom co-operative society in Chennai to bribe the voters. Shri. T.V. Bimarao, the vice president of tamil Nadu telecom Co-operative society has publicly spoken few weeks back in chennai that he had handed over Rs 25 lakhs to Com. Abhimanhu to meet the expenses of 5th Membership verification. Such is the corrupt attitude of the present leadership of BSNLEU. All these things were exposed thoroughly by Com. C.K.Mathivanan during and after the 5th membership verification. This has naturally angered the GS of BSNLEU and on his instructions the Tamil nadu circle union has now put up abusive banners on Com. C.K. Mathivanan. We will not stop our expose because of this silly act of BSNLEU. We will continue to expose the corruption/Betrayal of the minority union throughout the country.

C.K.Mathivanan,
