

JAC THAMASHA...?

In the name of JAC the leadership of BSNLEU doing everything to sabotage and disrupt the unity of all unions/associations in BSNL. On 26/11/2010 with out the knowledge of Com. Namboodri, convener of JAC and Com. Chandeswar singh, Chairman of the JAC a meeting was arranged with CMD by BSNLEU to discuss about the JAC demands on that day Com. Namboodri was not at Delhi. However Com Chandeswar Sing was very much at Delhi. But Com. Abhimanyu who is neither a convener nor a chairman of the JAC had the audacity to fix a meeting with CMD on behalf of JAC. BSNLEU is one of the several unions/ associations which constitute the JAC. But Com. Abimanyu think BSNLEU is the JAC. This negative approach will break JAC sooner or later.

The JAC is being utilized to further the influence of BSNLEU. The convener of the JACC is not inviting all the unions/ associations to JAC meetings. He selectively invite only his supporting unions/ associations. For example AIBSNLOA and PEWA-BSNL were not invited to any of the JAC meeting. Further the general secretary of the SEWA-BSNL, Shri K.BabuRao was never invited to the JAC despite so many reminders. But Com. Namboodri invites some persons as representative of SEWA-BSNL over the head of the General secretary. It is nothing but interference in the internal affairs of SEWA-BSNL. When some unions/ associations are deliberately not invited for JAC meeting despite their request Com. Namboodri is very much keen to invite new union led by R.K.Kohli which is not even a applicant union in BSNL and has not even a support of dozen people. All these shows very clearly that JAC is being only used to further the growth of BSNLEU. In these background the circle union in Chennai telephones has decided to withdraw from the JAC in Chennai telephones circle and participate in the December strike independently under the banner of NFTE-BSNL.
