

**NFTE-BSNL APPEALED TO CGM CHENNAI  
TELEPHONES FOR FILLING UP ALL THE POST IN THE  
JAO CADRE:**

The 4<sup>th</sup> circle conference held on 12 & 13<sup>th</sup> Mar 2010, on its very first day passed a resolution demanding management to fill up all the post in OC/SC/ST categories for which recently JAO- part II examinations were conducted and results announced. Out of 112 vacancies only 48 were filled up and 64 are kept unfilled. Thus under OC category 36 vacancies are left unfilled. The same way under SC/ST category 28 vacancies are left unfilled.

Com C.K.Mathivanan CS NFTE-BSNL while welcoming the CGM at the conference of Chennai telephones on 13/03/2010 appealed to him to fill up all the vacancies in the JAO cadre by applying liberal standards. He also pointed out that as per reservation for SC /ST, all the post belonging to them should have been filled up by applying "GO- DOWN BELOW" theory. Reacting to Com C.K.M request Shri A.SUBRAMANIAN, CGM gave public assurance at the conference to positively considering the request of NFTE-BSNL with regard to JAO promotions.

We are thankful, that the CGM already started acting on our demand and process has begun to declare more number of officials as passed.

It is pertinent to note that the recognized union (BSNLEU) and the so called associations of SC/ST employees are keeping silent on this issue.
