The **“BSNKL WORKERS ALLIANCE”** leaders in Kerala circle accompanied him to all the places, include Com Gopu kumar CS FNTD, Com Haridass president FNTD, Com Dharamdass CS NFTE and Com Radhakrishnan president NFTE. In all the places employees attended the meeting in large numbers and heard the speeches of the leaders with much interest. Com .Namboodri who was under the opinion that Kerala circle will fully support him is now surprised at the rapid changes taking place among the employees in Kerala and their growing dissatisfaction on BSNLEU for non performing during the last 4 years and wasted the recognition given to BSNLEU. As per the latest trends available in Kerala circle **“BSNL WORKERS ALLIANCE”** will get not less than 6000 votes and BSNLEU will be cut down to size.
