

What you seed, reap the same!

On the eve of 5th Membership verification, Com. Abhimanhu purchased few discredited leaders of NFTE-BSNL and FNTTO. He formed two scab unions under the leadership of 80 years old R.K.Kholi and Andiappan. Hurriedly he also included those two paper unions which have not even hundred members through out the country in to his united forum. He also made a big propaganda that NFTE-BSNL was split vertically. But the results of the 5th membership verification very clearly proved the wrong calculation of BSNLEU. NFTE-BSNL increased its vote share and won in ten circles. But BSNLEU could not secure majority votes in many circles including Punjab, Gujarat etc. In fact BSNLEU got reduced votes in more than 7 circles compared to 4th Membership verification.

Due to the arrogant and undemocratic attitude of Com. Abhimanhu, the BSNLEU is facing dissidence in almost all circles. In Tamil nadu the split has come about and a new union by name BSNLDEU was formed by veteran comrades G. Ananthan and R. Gunasekaran. Nearly thousand employees followed them in to the new union and the same story will be repeated for BSNLEU in almost all circles with in the next few months .This is the realistic situation prevailing in the minority recognized union.

Com Abhimanhu who could not win his own home circle Tamil nadu and own SSA puducherry is talking about NFTE-BSNL's narrow victory margin in Chennai telephones. We wish to remind him that despite his best effort to defeat NFTE-BSNL in Chennai telephones by spending more than a crore of rupees he could not win in Chennai telephones for the second consecutive time. We also warn his union can't dream about victory in Chennai telephones henceforth. Let Com. Abhimanhu continue "Customer delight Month" for ever and his union members in hundreds and thousands are coming out of BSNLEU only to protest against the false propoganda by BSNLEU. We all know that during the campaign for 5th Membership verification the leadership of BSNLEU boasted about defeating VRS and CRS . But what is the present position in BSNL?. A VRS plan has been approved by the BSNL management to compulsorily retire at least 50000 employees. Com. Abhimanhu may make 'Customers feel delighted' but the employees in BSNL are most 'dejected and frustrated' due to the incapacity of the minority recognized union.
